

LAUREN CURRY

Barrie, ON | 705-796-7067 | Laurencurry2004@gmail.com | Portfolio: laurencurry2004.github.io/LaurenCurry

HIGHLIGHTS OF QUALIFICATIONS

- Skilled in Adobe Creative Cloud, Canva, WordPress, GitHub, HTML/CSS, Microsoft Office, and Google Workspace for content creation, website building, and design
- Published writer with strong writing, editing, and storytelling skills across print and digital formats
- Experience coding and designing websites from scratch, building infographics, and producing immersive digital storytelling pieces
- Strong organization, time management, and multitasking skills demonstrated across academic, work, and leadership settings

SELECTED PROJECTS & PORTFOLIO

- **Research Website** — Built a multi-chapter academic research site from scratch using HTML & CSS, presenting original research for a capstone project
- **Scrollytelling Feature** — Designed an immersive digital storytelling narrative in Shorthand on rural animal welfare, combining writing, visual design, and pacing
- **Infographic Design** — Translated nutritional research into a clear, accessible infographic for a general audience
- **Print Design** — Designed a 36×48" research poster for a live presentation at the University of Guelph
- **Published Writing** — Authored an illustrated digital storytelling piece published in CTRL+ALT+DH (University of Guelph's Digital Humanities Journal), voted top submission for creativity and originality; also published an encyclopedia chapter on eco-friendly pest control written for a non-expert international audience
