SOLUTIONS *for every stage*

FROM EXTERIOR UPGRADES TO
INTERIOR RENOVATIONS, WE
PROVIDE PERSONALIZED
SOLUTIONS TO HELP MAKE
EVERY PART OF YOUR HOME
BETTER.

Photography by Jane Doe

1. Exterior Improvements

Siding, doors, windows, exterior
finishing and more.

2. Interior Renovations

Kitchens, bathrooms, flooring and
living spaces.

4. Custom Projects

Tailored solutions for homeowners looking for something unique.

3. Home Upgrades

Energy-efficient improvements and functional upgrades designed around your needs.

5. Maintenance & Repairs

Reliable repairs and ongoing maintenance to help keep your home performing at its best.

From Dated to Distinctive

The Challenge

The homeowners wanted to update the appearance of their home while creating a more welcoming and functional exterior.

The Approach

Northline combined updated exterior finishes, refined architectural details, and a more cohesive material palette to create a modernized look while maintaining the character of the home.

CONCEPT PROJECT / SAMPLE
INFORMATION

A better experience from start to finish.

01

Clear Communication

Know what to expect before work begins and stay informed throughout the project.

02

Quality Workmanship

Thoughtful installation and attention to the details that make the finished result stand out.

03

Trusted Professionals

Experienced professionals focused on delivering dependable service.

04

Built Around You

Every project begins with your home, your priorities, and your goals.

“ ”

The entire process felt organized, professional, and easy from beginning to end.

PROJECT NOTES

Concept Project

This sales book was created as a fictional concept project to demonstrate marketing, graphic design, layout, and presentation skills.

Northline Home Services is a fictional company created for demonstration purposes. All company information, services, statistics, project details, testimonials, contact information, and other written content presented in this document are fictional and are not intended to represent a real business or actual customer experiences.

Photography

Photography throughout this project was sourced from Pexels and is used for visual demonstration purposes.

Pexels provides free-to-use photography under its Pexels license. Photographer attribution is not required.
